

mavericks beach club

Hi Friends,

If you are in Pacific Beach I recommend you stop by the new hotspot. I had the pleasure of visiting Mavericks Beach Club over the weekend and I'm so impressed with this incredible concept and location. Let me start by saying that this building is huge(15,000 square-foot property)!! They have it all from a dog friendly patio, outdoor games, sports, live music, amazing food, and even a dance club at night.

Hola Amigos,

Si están en el area de Pacific Beach les recomiendo que visiten el nuevo lugar mas popular del area. Este fin de semana tuve el placer de visitar Mavericks Beach Club y estoy super impresionada con el concepto del lugar y con lo grande que es la propiedad. Tienen de todo, puedes traer a tu mascota ya que lo permiten en su patio, también tienen juegos, música en vivo, comida deliciosa, y mucho mas.

I loved their menu. They have brunch options, a breakfast buffet, snacks, lunch and of course... lots of drinks 😊

Me encanto su menu. Tienen opciones para brunch, un buffet de desayuno, snacks, almuerzo y por supuesto... muchas bebidas ☺ ☐

Breakfast buffet area

Jonathan tried their coffee and said it was delicious! No coffee or creamer needed.

Spicy Margarita (Olmea Altos Plata, Muddled Pineapple, Sliced Jalapeño, Fresh Lime Juice, Myers Rum)

Above you can see the breakfast bowl from their Brunch Menu. It was amazing, loved the salsa it comes with.

Below is the Bowl from their regular menu. It has Cilantro Lime Rice, Pinto Beans, Cheddar Jack Cheese, Lettuce, Pico de Gallo, Chipotle Aioli, Cotija Cheese and I requested Avocado.

Jonathan ordered the burrito and we definitely weren't expecting it to be that big. It was so good!

Another thing I loved and thought was really cool was the Mavericks Cooler option on the menu. You basically can choose any six beer cans and they serve them in the cooler pictured below. That way you can enjoy at your own speed.

If your preferred method of transportation is by biking, Mavericks has you covered with their Free Bike Valet.

Outdoor Seating with games

Indoor Seating- 1st Floor

You can't leave without a pic on this beauty!

#surfervibes - Loved this huge mural by the stairs.

Their second floor provides the same amenities as the first one. They also have seating, a bar, a DJ, and views of PB.

**Mavericks is truly one of a kind. It's the perfect cool spot for private events, birthdays, etc.
They have it all. Not to mention everyone is super friendly.**

My husband and I will definitely be telling all our friends and family about this gem.
